

# Working together to make a difference: our engagement plan

## HERE'S OUR PLAN IN 5 STEPS

### AWARENESS

We want people to be aware of and understand our role.

### FEEDBACK

The views of people are at the centre of our work.

### SHARING

We will share our knowledge and findings to support improvement.

### LISTENING

We will provide a range of opportunities for people to be involved in our work.

### RESPONSIVE

We will continuously improve our work in response to people's feedback.
