

Working together to make a difference: our engagement plan

HERE'S OUR PLAN IN 5 STEPS

AWARENESS

We want people to be aware of and understand our role.

FEEDBACK

The views of people are at the centre of our work.

SHARING

We will share our knowledge and findings to support improvement.

LISTENING

We will provide a range of opportunities for people to be involved in our work.

RESPONSIVE

We will continuously improve our work in response to people's feedback.
