

A Child Protection Rapid Review (CPRR) Survey

Will you help us with our work?

This leaflet tells you what the CPRR survey is all about.

It also tells you why we want to hear your views and the sort of things we may ask you.

Who are we?

We are a team of inspectors from Care Inspectorate Wales (CIW) looking at how children are helped to be safe in the area where you live.

Why have I been asked to take part?

We want to hear your views about how well professionals like social workers, teachers, school nurses and police (for example) are helping you and keeping children and young people safe.

What will I be asked to do?

Please complete our [online survey](#). It should only take you 10 minutes to complete. If you need assistance completing the survey, please ask a person you trust to help.

Do I have to take part?

Not if you don't want to. We do want to hear your views but it's up to you whether you do this survey.

What will we do with the things you say in the survey?

What you tell us in the survey is private. You do not need to provide your name or any personal details.

For more about how we use information about you, please see our Privacy Notice at: <https://careinspectorate.wales/how-we-use-your-information>
