# Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

Set out your statement of compliance in respect to the four well-being areas below.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.

Residents are given choices of their day to day living, arrange ments. They are able to spend time in their rooms or come to c ommunal ares to enjoy the company of others. Residents are e ncouraged to spend days how they choose. Provision offered t o have Meals served in their rooms if required.

Residents are asked daily on the choice of food, extra is always prepared, if a resident was to change their mind at meal times. Residents are encouraged to personalise their rooms to create a home from home feel.

Families now visit and can go into bedrooms for privacy or visit in communal areas.

3 monthly care plan and family reviews, are in place to receive f eed back, if any needs are not being meet or can be improved on. Families are encouraged to voice any concerns when they visit, or by telephone or email.

The garden is of easy access through the main entrance. We have made improvements to the garden, raised flowerbeds and gazebo, so you can go out rain or shine.

A variety of activities are on offer each day, and the residents a re given the opportunity to choose activities for themselves. So cial interests and preferences would be added to the care plan for all staff to be aware, and an evolving process. New activities also discussed in residents meetings along with other matters.

The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.

Residents health and welfare is monitored by care staff, and re ported to senior staff if any issues or concerns. We have outsid e agencies and health professionals coming in to support us, th is can be refrrals made by us or GP.

New residents can either stay with their own GP if in the catchm ent area or have a choice of 2 surgeries that are within a short distance of the service.

Residents have access to District nurses. Chiropodist, Optician, Community dentist, mental health team, CAP which can include a team of dietician, OT, physio, SALT and falls prevention team s.

Care plans are person centred and detailed, and reviewed by s taff, monthly, and weights and basic observations are taken an d monitored, for the baseline to refer to.

Families are encouraged where possible to escort to outside ap pointments, staff can escort if and when required.

Social workers input is encouraged.

DOLs referrals where required.

Activities are held 5 days a week to support well being and posi tive interactions for residents, on the days the activities co ordi nator is not in the care staff will lead activities

The extent to which people feel safe and protected from abuse and neglect.

All staff are recruited through a robust system, where checks ar e made to ensure identity and back ground checks are complet ed.

To include DBS checks, registration with SCW, full work history, 2 references.

Staff are given training on induction, this would include safe gu arding adults and a policy is in place for all staff to be made aw are of how to report neglect or abuse.

The manager has an open door policy for staff to report any concerns.

Ongoing annual training and supervisions and appraisals, to m onitor and identify training required.

The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.

A needs assessment would be carried out to ensure the service is suited and can manage the residents needs, before they mo ve in into the home. wellbeing and positive outcomes would be t aken into consideration during the assessment.

A person centred detailed care plan would then be prepared, before admission, personal outcomes and how they can be achieved, including implementing activities that the resident would show interest in and enjoy.

A 4 week review is then held before a resident becomes perma nent and both parties would agree if needs are being meet and wellbeing is maintained, improved on since being at the service. Ongoing monthly reviews then continue in house, and 3 monthly with families.
