Describe the arrangements in place during the last financial year for identifying, planning and meeting the training needs of staff employed by the service provider	All homes have a staff training matrix which covers all mandatory raining plus individual training needs for that home. The manager s plan the matrix over a three year period to ensure all training ar d refreshers are completed. All managers complete the train the trainer certific ate to complete manual handling training in house. Outside trainin g is completed with various companies such as FAST. Online trai ing was introduced during Covid and we have continued using thi s.
Describe the arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider	Staff are usually recruited by word of mouth. We introduced a Re er a friend scheme last year and this has proved popular. Adverts are placed on INDEED if necessary. We pay staff over the minimu m wage to show they are valued. All employees complete an appl cation form, an interview and require 2 references to commence e mployment. They complete an induction program, each person wi I have a mentor who is an experienced staff member. The induction n is linked to the SCW criteria and leads into QCF 2.

Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	Staff offer choices to the residents, where possible, on a daily b asis eg meals, how they want their care, daily activities. Where possible the residents are invited to attend their care pl an reviews to discuss their future outcomes. If this is not possible, families will advocate for the individual. Ad vocacy services are also used if there is no family available. Qu estionairres are sent to all involved in the residents care every 6 months this includes family, carers, health professionals, Loc al authorities and day services (where attended) Keyworkers meet every 2 months with families to discuss any is sues or ideas. Managers have an open door policy to discuss any needs.
The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.	All health needs are overseen by the house manager and staff team. Where possible residents are encouraged to plan their o wn health appointments. Annual health checks are undertaken and complex health clinics attended where appropriate. All resi dents are registered with a local GP and we refer to the health professionals for SALT, Physio and OT support. Social wellbein g is met by accessing suitable activities these include, cycling, s ailing, sensory room, music therapy and outings to suitable plac es such as the cinema, restaurants and local groups. Learning opportunities include Palmerstone computers, woodwork, garde ning etc. Holidays are arranged for all residents to suit their abil ities, these include Butlins, Bluestone, activity holidays and skii ng. Staff attend training specific to the needs of the residents, this may include epilepsy, PEG, nutrition and hydration, dysphagia and postural management.
The extent to which people feel safe and protected from abuse and neglect.	Abuse and neglect come in various forms, all staff are trained t o recognise the different signs of abuse. Our policies underpin our philosophy of a safe and caring home for life. Staff attend tr aining in safeguarding of vulnerable adults, whistle blowing, me ntal capacity and DOLS. Manual handling and where needed P BM. Each resident has individual a care plan and risk assessments t o ensure their care is person centred Residents without capacity are subject to a DOL's which is revie wed annually or when there are any changes. Staff must have an enhanced DBS AND 2 references prior to st arting, they complete shadow shifts with a mentor and an induct ion program that links to Social Care Wales. Best interest MDT meetings are held to ensure any changes in a persons care are in their best interest. Advocacy services will be used where needed to support a resi dent.

The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.	A group living aspect means referrals can be selected to ensur e compatibility for the residents. The home is accessible to all d isabilities. Equipment is provided specific to individual need. Individual care plans outline personal outcomes for all individua ls. Keyworkers support individuals to achieve their outcomes wh ether this is to complete daily living tasks to promote their indep endence or attending a group to be part of their community. Th e care plans are reviewed every three months or as required, w ith goals set and outcomes recorded All bedrooms are personalised for the individual, who are enco uraged to choose their decor to make them feel at home Families and friends are encouraged to visit and input into the li ves of the individuals

Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	Staff offer choices to the residents, where possible, on a daily b asis eg meals, how they want their care, daily activities. Where possible the residents are invited to attend their care pl an reviews to discuss their future outcomes. If this is not possible, families will advocate for the individual. Ad vocacy services are also used if there is no family available. Qu estionairres are sent to all involved in the residents care every 6 months this includes family, carers, health professionals, Loc al authorities and day services (where attended) Keyworkers meet every 2 months with families to discuss any is sues or ideas. Managers have an open door policy to discuss any needs.
The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.	All health needs are overseen by the house manager and staff team. Where possible residents are encouraged to plan their o wn health appointments. Annual health checks are undertaken and complex health clinics attended where appropriate. All resi dents are registered with a local GP and we refer to the health professionals for SALT, Physio and OT support. Social wellbein g is met by accessing suitable activities these include, cycling, s ailing, sensory room, music therapy and outings to suitable plac es such as the cinema, restaurants and local groups. Learning opportunities include Ambito, Palmerstone computers, Touch T rust, woodwork, gardening etc. Holidays are arranged for all res idents to suit their abilities, these include Butlins, Bluestone, an d activity holidays. Staff attend training specific to the needs of the residents, this may include epilepsy, PEG, nutrition and hydration, dysphagia and postural management.
The extent to which people feel safe and protected from abuse and neglect.	Abuse and neglect come in various forms, all staff are trained t o recognise the different signs of abuse. Our policies underpin our philosophy of a safe and caring home for life. Staff attend tr aining in safeguarding of vulnerable adults, whistle blowing, me ntal capacity and DOLS. Manual handling and where needed P BM. Each resident has individual a care plan and risk assessments to o ensure their care is person centred. Residents without capacity are subject to a DOL's which is revie wed annually or when there are any changes. Staff must have an enhanced DBS AND 2 references prior to st arting, they complete shadow shifts with a mentor and an induct ion program that links to Social Care Wales. Best interest MDT meetings are held to ensure any changes in a persons care are in their best interest. Advocacy services will be used where needed to support a resi dent.
The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.	A group living aspect means referrals can be selected to ensur e compatibility for the residents. The home is accessible to all d isabilities. Equipment is provided specific to individual need. Individual care plans outline personal outcomes for all individua Is. Keyworkers support individuals to achieve their outcomes wh ether this is to complete daily living tasks to promote their indep endence or attending a group to be part of their community. The Responsible Individual must prepare the statement of compliance.

CIW have published <u>guidance</u> on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	Staff offer choices to the residents, where possible, on a daily b asis eg meals, how they want their care, daily activities. Where possible the residents are invited to attend their care pl an reviews to discuss their future outcomes. If this is not possible, families will advocate for the individual. Ad vocacy services are also used if there is no family available. Qu estionairres are sent to all involved in the residents care every 6 months this includes family, carers, health professionals, Loc al authorities and day services (where attended) Keyworkers meet every 2 months with families to discuss any is sues or ideas. Managers have an open door policy to discuss any needs.
The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.	All health needs are overseen by the house manager and staff team. Where possible residents are encouraged to plan their o wn health appointments. Annual health checks are undertaken and complex health clinics attended where appropriate. All resi dents are registered with a local GP and we refer to the health professionals for SALT, Physio and OT support. Social wellbein g is met by accessing suitable activities these include, cycling, s ailing, sensory room, music therapy and outings to suitable plac es such as the cinema, restaurants and local groups. Learning opportunities include Palmerstone computers, woodwork, garde ning etc. Holidays are arranged for all residents to suit their abil ities, these include Butlins, Bluestone, activity holidays. Staff attend training specific to the needs of the residents, this may include epilepsy, PEG, nutrition and hydration, dysphagia and postural management, Aquired brain injury.
The extent to which people feel safe and protected from abuse and neglect.	Abuse and neglect come in various forms, all staff are trained t o recognise the different signs of abuse. Our policies underpin our philosophy of a safe and caring home for life. Staff attend tr aining in safeguarding of vulnerable adults, whistle blowing, me ntal capacity and DOLS. Manual handling and where needed P BM. Each resident has individual a care plan and risk assessments t o ensure their care is person centred Residents without capacity are subject to a DOL's which is revie wed annually or when there are any changes. Staff must have an enhanced DBS AND 2 references prior to st arting, they complete shadow shifts with a mentor and an induct ion program that links to Social Care Wales. Best interest MDT meetings are held to ensure any changes in a persons care are in their best interest. Advocacy services will be used where needed to support a resi dent.
The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.	A group living aspect means referrals can be selected to ensur e compatibility for the residents. The home is accessible to all d isabilities. Equipment is provided specific to individual need. Individual care plans outline personal outcomes for all individua Is. Keyworkers support individuals to achieve their outcomes wh ether this is to complete daily living tasks to promote their indep endence or attending a group to be part of their community. Th e care plans are reviewed every three months or as required, w ith goals set and outcomes recorded All bedrooms are personalised for the individual, who are enco uraged to choose their decor to make them feel at home Families and friends are encouraged to visit and input into the li ves of the individuals

Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	Due to the nature of the residents disabilities we use a multi dis ciplinary approach to ensure their care and support is person c entred. We liaise closely with families, health professionals, adv ocates and the local authority when completing the care plan. A s the home offers a respite service we look at Opportunities to provide meaningful activities during their stay eg cycling, swimm ing, cinema, meals out. where the individual is unable to tell us how they feel, staff will monitor their reaction and assess each activity on an individual basis. Questionairres are sent 6 monthl y to staff, families, healthcare professionals and case manager s to assess the service we provide to each individual. Feedbac k from these is shared with staff and used to improve the servic e provided. individual service plans are reviewed prior to each stay to ensure all information is correct. Key staff liaise with fam ilies bi monthly to
The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.	As a respite home we are not required to over see the individua I health needs. However we will attend GP / hospital appointme nts if the individual has an appointment when they are staying with us. We attend reviews when needed and action any outco mes from MDT's. We have often taken individuals who use our service to appointments when they are not staying with us to pr ovide a familiar face and continuity as someone that understan ds the individual. We ensure all medication needs are met durin g their stay and will liaise with GP'S and health as required. If a n individual would benefit from attending their current day servi ce whilst at respite we will facilitate this to maintain their develop ment and well being.

The extent to which people feel safe and protected from abuse and neglect.	Staff are required to read and sign the policies relating to safeg uarding, whistleblowing, abuse and neglect on commencing em ployment. Staff complete training in Safeguarding of vulnerable adults, mental capacity and DOLS, Consent, Managing challen ging behaviour and continence care. All staff are aware of how to report any issues of abuse or neglect. When individuals atte nd and leave respite, a full body chart is completed to ensure t here are no areas that require attention eg red marks, bruising. All medication is signed in and out of the home at each visit. An inventory of each individuals property is made on arrival to ensure all their belongings are returned home with them. All monies are signed in and out and recorded on a petty cash sheet with 2 staff signatures.
The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.	Individuals do not reside at The Willows permanently as it is a r espite home. Staff at the Willows support all individuals to have a meaningful stay at respite that will boost their wellbeing and a ssist them in achieving personal goals
