### Training and Workforce Planning

| Describe the arrangements in place    | during the last financial year |
|---------------------------------------|--------------------------------|
| for identifying, planning and meeting | g the training needs of staff  |
| employed by the service provider      |                                |

The service employs a Training and Development Manager who d eals with the training needs of the staff employed at the service. This include keeping records of all mandatory training required by staff and dates for refresher courses, scheduling training and carrying out said training with staff or booking an outside training provider if required - ensuring the training is applicable to each job role in the service.

Describe the arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider

The service has a Recruitment Manager who deals with the recruitment needs of the service. This include sourcing candidates from various online platforms, scheduling interviews, etc. The service a lso has a Skilled Worker Licence and can recruit staff from overse as. To assist in retaining staff, the service has regular Staff Meetings where opportunity is provided for staff to raise issues and make recommendations. Training and the opportunity for career development is also available.

| Other   | No |

### Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

Set out your statement of compliance in respect to the four well-being areas below.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.

- · Regulatory inspection carried out.
- Regulation 73 visits take place every 3 months.
- · Supervisions are carried out every 3 months.
- Staff Meetings are held frequently for every department.
- A service user guide is provided to all new residents and is regularly checked and updated.
- Resident Family Member Meetings are held every 3 months.
- Care plans are populated on admission and then allocated to a Named Nurse for continuity.
- Care Plans are updated every 3 months or as soon as a chan ge occurs.
- Where possible residents are given choice in relation to food, activities and the activities of daily

living. Where choice is compromised due to cogitative impairme nt, choices are made in the resident's best interest.

- Provision of care is also discussed with residents and relative s by an assessor during a DOLs authorisation.
- This is Me document is populated by the activities team leader and regularly reviewed by Activities.
- Feedback surveys Colleague, Residents and Family Members are issued every 3-6 months.
- 3 Monthly Complaints & Compliments Audit completed.
- · Regular reviews carried out by Nurse Assessors.
- Appraisals are carried out annually with Line Managers
- Records of conversations are held whenever there is a learning opportunity and additional support and training is offered when required.
- Carer competences are carried out during the induction proce ss and at least annually as part of the appraisal meetings.

The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.

- Care plans are completed within 72 hours for residents being placed in our care.
- All residents have an allocated Named Nurse for continuity of care.
- · Clinical Care Meetings take place every month.
- The Clinical Manager holds a Daily Flash Meeting with all nurs es on shift.
- Activities Newsletters are produced and sent to all family members.
- Visiting professionals including Occupational Health, Physioth erapists, Occupational Therapists,
- GPs, Chiropodists and Hairdresser participate with those reside nts requiring them.
- Where possible residents are given choice in relation to food, activities, and the activities of daily living.
- Surveys sent to obtain views of other relevant professionals.
- Effectiveness of staff to assist people who use the service to maintain health and well-being.

The extent to which people feel safe and protected from abuse · People are encouraged to feedback any concerns as part of t and neglect. heir introduction to the service. • Incidents, Accidents and Safeguarding are routinely recorded for trends and analysis. Clinical Care Meeting to continue monthly. · A daily flash meeting will continue with the Clinical Manager an d Nurses on shift. · Level 2 Safeguarding training provided. • Health and Safety Training provided at level 2.
